

SENCON SENENERGY EXPO 2022 SENEGAL

POST SHOW REPORT 2022

SHOW INFORMATION

Edition : SENCON 7th SENENERGY 1st
Tarih : 16-18 June 2022
Bir sonraki tarih : 23-25 February 2023
Organizasyon : Hage Exhibition

The 7th edition of **SENCON** and the first edition of **SENENERGY** has once again reinforced its role of the largest West African international fairs in the Materials and Construction Machinery sectors and the International Electricity and Renewable Energy Exhibition.

The largest and most efficient exhibition in Senegal was organized from June **16 to 18**, 2022 at the Exhibition Center of DIAMNIADIO in Dakar.

Since 2016, **SENCON** provides a perfect platform marketing for buyers and sellers of construction materials, method and equipment. **SENCON** was the largest and most successful construction event in the region, and this year adding the brand new exhibition **SENENERGY** was a total success the exhibitors and visitors were thrilled.

 **KENYA**
 **FRANCE**
 **GERMANY**

TECHNOLOGIES EXHIBITED

SENCON SECTORS

- Building envelope&construction
- Windows, doors&sun protection systems
- Roofing, cladding&glazing
- Special construction

- Metal, steel&aluminum
- Interior and exterior
- Building solutions
- Kitchen, bathroom&related
- Flooring, ceiling, walling&other

- Interior finishes
- Lighting
- Coatings, sealants&adhesives
- Paint

SENENERGY SECTORS

- Energy/building systems and solar technology
- Engineering
- Wind lighting&technologies
- Energy efficiency and cleantech
- Suppliers of raw materials
- Wire saws and consumables
- Silicon feedstock, ingot and wafer manufacturing
- Inverters, charge controllers, batteries and module connectors
- Screen-printing and metallization equipments
- Solar cells manufacturers solar drying and desalination systems
- Software solutions and providers of irradiation data
- Turnkey solution providers
- Electrical test and measuring systems

- Solar street and billboard lighting systems
- Photovoltaic (pv) modules, hybrid systems, materials and equipments
- Wind energy
- Buyers and sellers of old wegs
- Civil engineering surveyors and contractors
- Component repairers (other than OEMs)
- Consultants and certification agencies
- Electrical and electronics items manufacturers
- Freight forwarders
- Hydraulic and mechanical items manufacturers and suppliers
- Wind monitoring and analysis systems suppliers

- Assessment and forecasting service providers
- Wind-solar hybrid power system integrators
- Wind farm owner
- Insurance companies, surveyors, valuers, operations and maintenance providers
- Stand-alone small aero-generator manufacturers&training providers
- WEG erection contractors, spares, components, tools and lubricants manufacturers
- Wind electric generator (weg) manufacturers
- Battery components&materials
- Battery manufacturers
- Power management/bms
- Thermal management
